"New Mission Sending Realities from the Global South"

In this workshop we will explore and engage with salient issues that have helped the Global South to advance its portion in world evangelization. We will interact with each other to learn of outstanding practices from around the world. We will focus on the following:

- a) Examining the reality of Non western mission phenomenon
- b) Discovering the peculiarities of non western missionaries going global
- c) What does 'sending' mean from everywhere to everyone?
- d) Models, methods and mechanics of global south sending
- e) Building bridge of internationalization for international team
- f) The West, the Rest and the Best!
